

### **Why Clean Scope?**

**Clean Scope is one of the New Zealand top-rated cleaning companies.**

Our cleaning products kill 99.9% of germs (germs = bacteria, fungus, virus) with ingredients as pure as salt, water, and electricity. Clean Scope process helps us ensure we provide a germ-busting clean that not only looks great but disinfects and sanitizes. Clean Scope only goal is customer satisfaction by providing healthier cleaning. The products we use are 100% natural, eco - friendly non-hazardous and non-toxic. We are fully insured by one of the country's top insurance service provider.
